## Hands at Work Mission Trip

We are planning to go back to Zambia in 2018 to continue to grow our relationship with the community in Maranatha. 2018 seems like it is a long way off but there is a lot of planning and fundraising that goes along with it, that takes a great deal of time. Part of the commitment of going on this trip is a willingness to be part of what we would consider a small group. We will meet regularly over the year to grow in our understanding of what being involved in a cross cultural mission is about and how to do this in a way that grows us as followers of Christ and positively impacts the people of Maranatha. If this is something you believe God might be calling you to be a part of we invite you to contact Tim or Kathleen Van Hoffen.
