Door locks have been added to classrooms to lock them when not in use after church etc. Other inside door locks have also been changed so that one key opens them all now.

If you have an old key from the previous inside locks, please bring it to the church office to be exchanged for a new one as appropriate.

COFFEE BREAK: It is time, yes it is time to come to together here at Grace CRC on Sept. 13th. On our first morning we will have a fun filled morning to catch up with everyone and also get serious about what Coffee Break is all about. Why join us here for Coffee Break? First of course to learn more about God's plan and our place in this world. Secondly we have a wonderful group of ladies excited to learn share and show love to each other. If you want to do more listening then talking, it is ok if that is what works for you. We all learn in different ways and what ever you are comfortable with is all right. If you have not tried Coffee Break but think you would like to try Come out and join. The following week we will start our regular study of Acts starting with Lesson 16. See you on the 13th.

FAMILY OUTREACH: There are families in our church community who experience a lot of pain and suffering due to alcohol, drug abuse or pornography. They don't know what to feel, who to trust or how to ask for help. There are no guarantees that someone close to you will not be affected. Therefore it is important for everyone to be informed about the dynamics and how family members live in denial and silence. Come, listen and learn at an information evening dealing with these specific issues Friday Sept. 23, Trinity United Reformed Church, 99 Scott St., St. Catharines. Doors open at 7.00pm, opening and presentations begin at 7.30pm. There will be time for Q & A following.

"Come to the Music!"

The 2017 Season marks the beginning of 48 years of music ministry by the AMBASSADORS. We are pleased to invite: Young and "older" MEN alike who love to sing and praise the Lord **"on key, can read music, desire to learn and follow direction from a great choral director - Harold de Haan while accompanied by an amazing and accomplished pianist - Laura Pin and enjoy the fellowship and camaraderie of like minded songsters to join us beginning September for the 2017 season!"**

The 2017 Season promises to be an exciting year as we begin our season with a moving concert series in November, **"Sounds of Remembrance"** with the accomplished HMCS STAR Royal Canadian Navy Band of the Canadian Armed Forces. We look forward to celebrating and being part of Canada's sesquicentennial – its 150th birthday celebrations! We also look forward to being part of celebrating **"Great Hymns of the Faith"** as part of the year long **CRC INSPIRE 2017** where we refresh, refocus, and re-imagine how our shared calling finds expression in our local communities and beyond. We rehearse each Wednesday evening at Mnt. Hamilton CRC in Hamilton and perform regularly throughout the year.

Christian Counselling Centre's Annual Fall Conference 2016: Staying Connect...

Can we build deep relationships in a shallow world of online communication? Here in the real world, many of us wonder if our own longing to connect will ever be satisfied. People spend their days connecting with one another on the World Wide Web. We touch base with more people through social networking websites like Facebook and Instagram and yet studies indicate people have less connection than ever before. So how can people who are more connected across time and space feel more isolated than ever? What do we need to do to build better relationships and to develop deep connection and friendships?
